7

Supervisor Knabe made the following statement:

“A comprehensive exercise program for County employees is a key way to reduce absenteeism, increase productivity, lower health costs, and improve the overall health of employees. It can also play an important role in preventing illness and injury.

“In the Southeast District, the Whittier Courthouse has an exercise room designated for use by employees, but a requirement of \$75 per class fee to utilize this room has limited the classes available for employees.”

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Molina, unanimously carried (Supervisors Antonovich and Yaroslavsky being absent), the Board waived all the fees, excluding the cost of liability insurance, for the use of the designated exercise room by employees of the Whittier Courthouse for one year.
